

# PROGRAMME MRMI Basic Course

## Day 1, November 18<sup>th</sup>

09.30 - 10.00	Arrival & registration
10.00 - 10.30	Welcome. Presentation of faculty & participants. Background, aims and design of the MRMI Course.
10.30 - 11.00	Pre-test and pre-course assessment of knowledge & skills
11.00 - 11.15	<b>Conference : TBD</b>
11.15 - 11.35	
11.35 - 11.55	
11.55 - 12.15	
12.15 - 12.35	
12.35 - 13.00	
13.00 - 14.00	Lunch
14.00 - 14.30	Introduction to the MACSIM simulation system
14.30 - 15.00	The prehospital response to major incidents: the MRMI concept
15.00 - 15.30	The hospital response to major incidents: the MRMI concept
15.30 - 16.00	The principles of triage used in the course
16.00 - 16.30	Coordination & command
16.30 - 17.00	Coffee break
17.00 - 18.00	Demonstration & training in groups with the MACSIM casualty cards: decision making in triage and primary management of injured.
18.00 - 19.00	Introduction to your station during the simulation exercise. Preparation in groups under guidance of instructors. Getting acquainted to the boards, symbols and folders. Reviewing manuals, plans and action-cards.
19.00 - 19.30	Short demonstration of stations other than your own (15 minutes per station). <i>Prehospital trainees</i> start with hospital (Major City) and go on to RCC <i>Hospital trainees</i> start with RCC and go on to Scene <i>RCC trainees</i> start with scene and go on to hospital (Major City)
19.30	Closure day I

## Day 2, November 19<sup>th</sup>

08.00 - 08.45	Responding to a terrorist attack- what can we expect to meet, and how to deal with it?
08.45 - 09.00	All groups prepared on stations
09.00-14.00	Simulation exercise I, with active participation of all trainees. Instructor candidates serve as assistant instructors. Catering during the exercise but no breaks for coffee or lunch
14.00-15.00	Debriefing in groups and restoring of material
15.00-16.30	Evaluation of simulation exercise I
16.30- 17.00	Coffee break
17.00-17.30	Preparing in groups for next day` s exercise
17.30	End of day 2
19.00	Social Dinner

## Day 3, November 20<sup>th</sup>

08.00-12.00	Simulation exercise II with active participation of all trainees. Catering during the exercise but no breaks for coffee or lunch
12.00-13.00	Debriefing in groups and restoring of material
13.00-14.30	Evaluation of simulation exercise II
14.30-15.30	Course evaluation & post-course self-assessment
15.30-16.00	Diplomas and closure
16.00	End of the course

# Medical Response to Major Incidents

November 17th - 20th 2019

**HU** MARIO LUZZATTO  
SIMULATION  
CENTER  
**SMART MEDICINE**

## DESIGN OF THE COURSE

The course is based on an advanced simulation model ([www.macsim.se](http://www.macsim.se)), training the whole chain of response: scene, transport, hospitals, coordination & command, including also training in triage and individual patient-management and with participation of collaborating agencies like rescue service, police and protection agencies.

It is totally interactive, starting with one day of preparative training in groups, followed by two full days of simulation exercises with all participants active in their normal positions and with careful evaluation and analysis of the result of the response.

This requires a distribution of participants in accordance with the roles during the simulation exercise.

In the standardized application form, the applicant has to indicate his/her preference and competence for the different roles and this may be used in the composition of participants.

### Course Director

S. Lennquist | MD  
FP MRMID International Board  
Stockholm

### Course Coordinator

C. Montan | MD, MRMID  
Karolinska University Hospital  
Stockholm

### Local Organizer

R. Faccincani | MD, EMDM  
MRMID Ospedale San Raffaele  
Milano

SOCIETÀ ITALIANA DI CHIRURGIA  
D'URGENZA E DEL TRAUMA

## Registrations

For more information and registrations please visit [www.humanitasedu.it](http://www.humanitasedu.it)

## Organizing Secretariat

Humanitas University

## Venue Address

HUMANITAS UNIVERSITY  
VIA RITA LEVI MONTALCINI 4  
20090 PIEVE EMANUELE (MI)
