

masterclass

The Program

DAY 1 ABC...

- 3.00 pm** **Basics of IOUS**
IOUS for staging: B-mode and contrast
Open surgery: the access and the IOUS guidance
MALS: lap and robotic US exploration
Tips & trick for IOUS guided dissection
- 4.00 pm** *Coffee break*
- 4.15 pm** **Case presentation**
- 4.30 pm** **The technological corner**
Ultrasound System
3D CAST
- 5.00 pm** **Hands-on with Phantoms**

DAY 2

Live surgery and intraoperative skills
(participants will join the OR as observers)

- 8:30 am** **Live surgery**
- 1:00 pm** *Lunch*
- 2:00 pm** **Live surgery**
- 5:00 pm** *Closing of the second day*

The Program

DAY 3

LAB 3D

(participants will join the work station to learn the 3D cast release)

10.00 am LAB 3D: how to build a 3Dcast
1:00 pm Lunch
2.00 pm LAB 3D: 3Dcast simulations
4.00 PM LAB 3D: 3Dcast printing
5:00 pm Closing of the day 3

DAY 4

Live surgery and intraoperative skills
(participants will join the OR as observers)

8:30 am Live surgery
1:00 pm Lunch
2:00 pm Live surgery
5.00 pm Matching simulation & reality
6:00 pm Closing of the day 4

DAY 5

Live surgery and intraoperative skills
(participants will join the OR as observers)

8:30 am Live surgery
1:00 pm Lunch
2:00 pm Live surgery
5.00 pm Matching simulation & reality
6:00 pm Closing of the day 5 and of the course

FACULTY

Bruno Branciforte
